 Duration: Instantaneous  
 Area: 5 + 1/F lbs of material  
 Effect: Create Explosives

Using this spell and the appropriate tools and materials, the caster instantly makes the materials into a finished product. The caster must make the appropriate skill check to create the item.

**11 - Multiple Materials**

Time to Cast: 4 R  
 Resist Check: None  
 Target: Touch  
 Duration: Instantaneous  
 Area: 5 + 1/F lbs of material  
 Effect: Create Complex Item

This spell allows the caster to combine 2 + 1 / F materials from this spell group or the Forging spell group in the same item. If using any materials from the Forging spell group, that spell must be cast after this one and the item is made once all spells are finished casting.

**12 - Instant Craft**

Time to Cast: 1 R  
 Resist Check: None  
 Target: Touch  
 Duration: Instantaneous  
 Area: 5 + 1/F lbs of material  
 Effect: Quickly Make Item

This spell allows the caster to create an item from one of the materials in this spell group in 1 round. Alternatively, the caster may immediately cast a spell from the Forgings spell group with no casting time and make an item from that material this round.
