

## Forging

Spell Rank: 1 - 12  
Time to Cast: 1 M  
Resist Check: 3d6 vs. PWR  
Target: touch  
Duration: special  
Area: 5 + 1/F pounds of material  
Effect: shape material

By using this spell and the appropriate tools, the caster can quickly create finished objects (small statues, weapons, etc.) from the indicated material within the casting time. Items normally made of the material will last indefinitely, otherwise they will return to their previous shape after one day. The workmanship cannot exceed what the caster is capable of without the use of this spell.
